2021-2022

Since 1974, the Wilde Lake High School Band Boosters Club, Inc., a 501(c)(3) non-profit organization, has advanced music education at Wilde Lake High School by providing funding for music, instruments, special instructors, and other program needs.

Band Boosters proudly includes corporate sponsorships in their programs and website. The Corporate Sponsors program has been a great success in raising funding for new instruments, maintenance and repairs, and an opportunities for the jazz ensemble to perform at the Big Band Jam in Washington, D.C. We are once again seeking corporate sponsors to help fund and grow the band program.

Sponsors will receive advertising space in each concert program, links to their businesses from the band web site, and recognition on the Jim Rouse Theatre's big screen before each performance and during intermission when applicable.

The band program has more than 130 students in seven ensembles – concert band, wind ensemble/marching band, jazz ensemble, and four percussion ensembles. The band performs several concerts each year, with attendance of approximately 250 for each concert. In addition, the WLHS Band program sponsors the annual Jazz @theLake concert, featuring internationally known jazz artists, at the JRT, an event that attracts 300-600 patrons each year.

Sponsors' advertisements will appear in the programs for the winter concert, three spring concerts, the Jazz @theLake Concert and the spring Jazz Cabaret. Sponsor forms, with payment and advertisement, must be received by September 30 to be included in all programs. Ads received after this date will be included in all remaining concert programs.

We hope you will partner with the Band Boosters in support of music education at Wilde Lake High School. Please feel free to contact me with any questions.

Regards,

Susan Knoernschild
