

Wilde Lake High School Band

Dear Band Students and Parents,

As the band director at Wilde Lake High School, it is my pleasure to welcome you to WLHS and introduce you to the many wonderful performance opportunities our school has to offer. I want to be very clear that every student, regardless of skill level or experience has a place in the WLHS Band Program.

All incoming students should register for **Concert Band MU: 400-1**

Auditions (think of this as a meet and greet) will take place at the middle schools from **1/21-1/23**. Upon completion of auditions, I will work with the WLHS guidance department to place students in their appropriate band course.

Please review the courses offered during the school day at WLHS:
